Subject: Call to WY Air Director Re Regional Haze Proposal

I just left a phone message with my counterpart at the WY DEQ (Steve Dietrich) to let him know that Region 8's RA had signed a proposed action this afternoon on WY's regional haze plan for NOx and PM. I mentioned that we are not in office tomorrow and that we will send an advance copy of the proposed rule to the DEQ on Tuesday 5/28 before it is sent to any other parties or posted on our web site.
